

Nakheel Tech - IT Security Guidelines for Employees

Guideline IT-02 | Version 4.0 | Effective 1 February 2026

1. Passwords and sign-in

- Passwords must be at least **12 characters** and changed every **90 days**.
- Multi-factor authentication (MFA) is required for email and VPN.

2. Devices

- Lock your screen whenever you leave your device. Devices lock automatically after **5 minutes**.
- Personal USB drives are not permitted on company devices.
- Report lost or stolen devices to IT within **2 hours**.

3. Using AI tools

Data classification	Public AI tools (e.g., free chat assistants)	Company-approved internal AI assistant
Public	Allowed	Allowed
Internal	Not allowed	Allowed
Confidential / Restricted	Not allowed	Not allowed

If you are unsure of a document's classification, treat it as **Confidential** and ask your manager.

4. Phishing

Report suspected phishing emails within **1 hour** using the **Report Phishing** button. Do not forward them to colleagues.
