

Email Style Sample - Follow-up After a Project Meeting

Use this as the reference for tone and structure

Subject: [Portal] Weekly sync - 9 June 2026

Hi team,

Thanks for a focused meeting today. Here is a short summary.

Decisions

- Customer login goes to testing on 10 June.
- Arabic content review will be done by the Product team.

Actions (Owner - Task - Due)

- Majed - Finish login bug fixes - 11 June
- Lama - Share first draft of help articles - 14 June
- To be confirmed - Book the training room - To be confirmed

Open questions

- Do we need a separate FAQ page for business customers?

Please reply if anything is missing or incorrect.

Best regards,

Hana | Product Owner

Style notes

- Short sentences, friendly and professional.
- Decisions, then actions, then open questions.
- No blame, no jokes, no emojis.
- Under 180 words.
